

10.11.2021

7-8.15 pm
on Zoom

HOW TO CHOOSE A PHD?

When should I start a PhD?

How do I choose my PhD supervisor?

What PhD project should I pick?

PhD in Italy or abroad?

Has any of these questions ever crossed your mind?

Then join us for a panel discussion with current and previous PhD students in bioinformatics!

Emma Dann

PhD student at Wellcome
Sanger Institute
(Cambridge, UK)

Nicola Casiraghi
